Note:

- The rates are given as a basis for planning the contract cost of transportation. The rates are given indicatively and may differ from the actual rates, as they depend on the availability of empty equipment, unloaded spaces on the vessel, and extra charges imposed by the lines.

* LILO - The rate includes:

- sea freight
- all current surcharges
- loading at the port of departure, and unloading at the port of St. Petersburg

** FILO - The rate includes:

- sea freight
- all current surcharges and unloading at the port of destination
